**Attachments:** 120707 2008 sched. codes .doc

Hi,  
The updated schedule for the monthly teleconferences is attached.

Please note:

1. Monthly topics have been moved up by one month
2. The conference code changes in January and again in March

Please submit topics of interest for the months of July – December. It would be helpful if you could submit an agenda and a facilitator for each topic.

Thanks,  
Peggy DiNatale
